

AMERICAN FRIENDS FUNDS

An American friends fund at KBFUS provides European and African nonprofits with a cost-effective solution to receive tax-deductible gifts from U.S. donors. We save them the trouble and expense of setting up their own 501(c)(3) public charity. KBFUS handles all back-office administration, including tax receipts and donor support.

A COST-EFFECTIVE ALTERNATIVE

- No need to establish a 501(c)(3) public charity.
- No need for annual audits, and no annual tax returns (form 990).
- No need to demonstrate substantial support from the general public.
- No need for a board (but you can have an advisory board).

A FLEXIBLE SOLUTION

- Name your fund as you wish - we can open it in a couple of weeks.
- Solicit tax-deductible contributions, made by check or wire transfer, in any amount.
- Receive gifts of appreciated stock or other assets, and charitable bequests.
- Link your dedicated, customizable webpage to your website, for credit card donations.
- Use our portable card readers for contributions during fundraising events.
